

AMP BANGLADESH

Short Highlights

- Services continue every Friday, Saturday, and Sunday across Dhaka.
- Was able to preach in Savar and Sreepur this month.
- Bible School classes continue each week.
- Traveled to Thailand for a visa exit and was able to meet the Kebasens and Fudalas who are missionaries in Thailand. I was also able to minister alongside Bro. Corbin at The Pentecostals of Chiang Mai (2 top left pictures).

Easter Weekend

We had a busy Easter weekend! For Good Friday, we brought most of our Dhaka churches to Savar for a big Good Friday service with food and fellowship after. Children and staff from the nearby orphanage joined us for service as well (1st & 2nd pictures on right).

For Easter Sunday, each of our churches held special services celebrating the resurrection of our Savior, Jesus Christ! In the picture above, you can see our Savar ladies on Easter Sunday.

Vatara Church

Our Vatara youth group was established earlier this year and has been holding youth services once per month. The youth have continued to grow and now hold youth services every Wednesday!

The Vatara children's services have been consistently running roughly 2-3 children each week. However, on April 24th, they had 20 kids show up, and the following week they hit another record of 31 in attendance (pictured on right)! We thank the Lord for this growth!
