

# Uganda

*God's people are growing and multiplying in Uganda and it's truly an honor to be a part of this kingdom work. Your faithful partnership through prayers and financial giving makes all of this possible. Thank you.*

## Apostolic Bible College

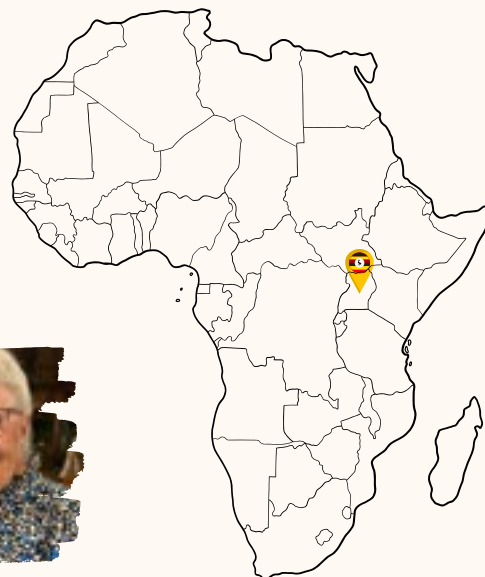

I have the great privilege of teaching at ABC, working to develop Apostolic leaders in Uganda. This term, I'm teaching the Prayer and Fasting course. This month, students eagerly engaged, from their daily devotions and prayer journaling to interceding for their nation in preparation for the evangelism conference. They are testifying to more prayers lifted up and more answers received.

Congratulations to all of our graduates who completed the Certificate, Diploma, and Associates levels. We honor their commitment and believe that God will use them mightily in His kingdom work.

## Speical Guest

Sis. Darline Royer, a pioneer missionary to Uganda, a legend and hero of the faith, visited this month. UACU honored Sis. Royer for her lifetime of service and lasting impact. I was thrilled to be part of this special event and inspired by the stories shared. Sis. Royer continues to encourage current and future laborers in Uganda.

## Evangelism Seminar

Pastors and leads gathered for an evangelism conference with Missionaries Chris and Penny Gibbs, hosted by UACU. This event invested into the hearts and minds of Uganda's ministers, equipping them to reach their nation with the Word of God.

One takeaway was the reminder that evangelism is not a one-time event, but a daily lifestyle of leading people to Christ and spiritual maturity. Each pastor received resources to support their ongoing evangelism and teaching efforts.

## New Life Apostolic Church

We rejoice with those who were baptized and filled with the Holy Ghost in April.

In our weekly Recharge group, we introduced a prayer segment where requests and answered prayers are recorded. It has been powerful to see a shift from unspoken requests to openly sharing. Each week, faith rises as we share testimonies of God's faithfulness. Praise God!

## New Connections

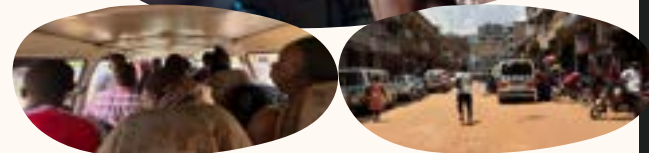

Hellen, a new contact and friend, took me on my first taxi adventure to the city center. The "taxi" is actually a minivan that fits 14 people plus a driver. I enjoyed experiencing the sights and sounds of the city with Hellen by my side. I believe Hellen will be a new disciple soon.

## Prayer Request

Please pray with me for:

- Growth and development for faculty and Year 1 & 2 students at Apostolic Bible College this term
- Wisdom and favor, as ABC is restructured and a part-time Bible school begins in Kampala
- Greater revelation and obedience to the Gospel across Uganda
- Wisdom, understanding, and favor for disciple-makers, believing for acceleration and multiplication.
