

JUNE NEWSLETTER

- **One more baptized!**

For June, there seems to be a God ordained theme of building relationships. We have continued to meet new people and groups in Andorra through Bible studies and participation in the community. Many of these contacts have decided to visit our services. This month we experienced a record breaking attendance and had to request more chairs from the hotel for our room! It thrilled our hearts to see everyone lingering in the presence of God after service not wanting to leave. For most, this was their first time ever in a Pentecostal environment. God is doing a great work in this region!

DISCIPLESHIP REQUIRES RELATIONSHIP

01. Baby Shower

We were excited to attend a baby shower of a beautiful young couple that we recently taught a Bible study to! God moved in a beautiful and special way in their home as we prayed over them and their little one that is on the way. Thank God for the many new relationships that are being built in this group.

02. Bar B Que

This month we were also invited to to partake in a local BBQ from a family that had visited our service for the first time. It was a wonderful opportunity to get to spend time with searching souls and eat good food while doing it! Theodore Roosevelt said, "People don't care how much you know until they know how much you care." Please pray as we nurture and steward these relationships that they bear much fruit for the kingdom and lay a foundation for the future.
