

MONTHLY FIELD REPORT

Rev. Joel & Ashley Castillo
Pentecostal of Gilford
Northern Ireland

Month: May 2026

Greetings in the precious name of Jesus,

We are thankful for another month of ministry opportunities and for the faithfulness of God in Northern Ireland.

This month, I had the privilege of teaching Bible lessons through Zoom with Family Church. These online sessions have provided an excellent opportunity to share the Word of God, encourage believers, and strengthen discipleship beyond our local congregation.

We also continued our weekly Bible studies every Thursday evening. These studies remain an important part of our ministry as we help individuals grow in their understanding of Scripture and deepen their relationship with God. We are grateful for the hunger for God's Word among those who attend.

As the District Missions Area Coordinator, I participated in several district rallies throughout this year. These gatherings were a tremendous blessing, bringing churches together for fellowship, worship, encouragement, and a renewed vision for reaching souls. It was inspiring to see believers united in the mission of advancing the Kingdom of God.

One of the highlights of the month was our Pentecost Sunday celebration, where we joined together with fellow churches for a special service. We experienced a wonderful move of God, enjoyed meaningful fellowship, and celebrated the outpouring of the Holy Ghost. It was a memorable day that strengthened the bonds between our congregations and reminded us of the power and unity of the early church.

We thank the Lord for His continued blessings and are grateful for the prayers and support of the United Pentecostal Church International. We look forward to what God will continue to do in the days ahead.

In His Service,

Rev. Joel Castillo
Pastor, Pentecostal of Gilford
