

MONTHLY FIELD REPORT

Rev. Joel & Ashley Castillo
Pentecostal of Gilford
Northern Ireland

Month: june 2026

Dear Praying Friends,

Greetings in the wonderful name of Jesus!

We are thankful for another month of seeing God move here in Northern Ireland. Every month reminds us that the Lord is faithful to build His church, and we are grateful to be part of what He is doing.

Two Precious Souls Baptized

One of the greatest highlights this month was baptizing two young people, **China** and **John**, in the precious name of Jesus Christ. They recently began attending our services, and after hearing the Word of God, they made the decision to surrender their lives to the Lord.

Watching them step into the waters of baptism was a beautiful reminder that God is still drawing hungry hearts. We rejoice with heaven as these lives begin a new walk with Christ. Please pray that God will continue to strengthen them as they grow in their faith and become established in His church.

Turning a Challenge into an Opportunity

This month, our vehicle unexpectedly broke down, making transportation more difficult for our family and ministry. While this was certainly an inconvenience, God helped us see it as an opportunity rather than a setback.

As we traveled by bus, we were able to meet people from our community, start conversations, and share the love of Jesus with those we encountered. What first appeared to be an obstacle became another avenue for outreach. We are reminded that God can use every circumstance for His glory.

Expanding Our Online Outreach

We also launched our church's Facebook page! Through regular posts, encouraging messages, and updates about our services, we are working to share the vision of the church with our community and reach people beyond our church walls.

Please pray that these online efforts will connect us with those who are searching for hope and truth, and that many will be encouraged to visit our services.

Teaching the Word

Bible studies continue to be one of the greatest joys of our ministry. We have been privileged to teach new people who are hungry to learn more about God's Word. It is exciting to watch the Lord open hearts and give understanding as we study the Scriptures together.

Thank you for your faithful prayers, encouragement, and financial support. Your partnership allows us to continue reaching souls here in Northern Ireland. Together, we are seeing lives transformed by the power of the Gospel.

May God richly bless you.

In His Service,

Rev. Joel Castillo
