AMP to Uruguay

Say not ye, There are yet four months, and then cometh harvest?
Behold, I say unto you, lift up your eyes, and look on the fields;
for they are white already to harvest.

John 4:35

Pentecost Sunday in Uruguay

This month, the church in Piedras Blancas held a revival service to celebrate Pentecost. It soon became "standing room only" as believers from around the city came together to worship God and have fellowship with one another. We are grateful for **one young woman who received the gift of the Holy Spirit.**

I had the honor of preaching on Pentecost Sunday in both the Piedras Blancas church and the San José church. God's presence was felt throughout the day as we made commitments to crucify the works of the flesh and live Spirit-led lives.

Community Connections

In May, the Lord continued to open doors of social connection in the local community with the goal of shining God's light to all we encounter.

At a local house church meeting in the Cerro neighborhood of Montevideo, we welcomed community members in for a time of worship and fellowship. I was grateful for the opportunity to share my testimony and am excited to see the church reaching its local community with the Gospel.

The Lord has continued to place new people in my path, many of whom I've been able to have meaningful conversations with about God. We know there are no accidents with God, so please pray that a harvest would come forth from these God-ordained interactions here in Uruguay!

Ye are the light of the world. A city that is set on an hill cannot be hid.
