

Alicia & Baptiste in Paris

Baptism Breakthrough

Nancy was the landlord of our previous church building. For many years, while we held services there, she rarely attended and had little interest in our faith, not considering herself a Christian.

After we moved to our new building, something beautiful began to happen. Nancy started attending services regularly, and after one service, the entire church erupted with joy when she asked to be baptized.

Nancy, along with 2 others took the step of faith and were baptized in Jesus' name!

Since then, Nancy has been sharing her testimony to contacts around the world about the importance of baptism.

Soirée entre Femmes

Over the past four years, we've hosted many gatherings in our apartment, most of them primarily in English. This month marked a special milestone as 9 ladies from the church gathered together and French was the language of the evening!

This is a huge win as we continue reaching and discipling French speakers. It was a wonderful night filled with food, fellowship and laughter.

Pentcost Sunday

This weekend was especially meaningful as Pastor Jack and Kathy Leaman ministered at both PCC campuses. We rejoiced as 3 people received the Holy Ghost, and one man testified of healing from a serious work-related injury. It was a wonderful time to celebrate all God has done, all He is doing, and all that is still to come!

Pitt Stop in Paris

It was a joy meet Pst. John & Beverly Holguin as they passed through Paris. We greatly enjoy the opportunity to connect with others who have a passion for the Kingdom of God.
