## June Newsletter 2026

Praise the Lord!

As we prepare to return to Brasília on June 23rd, our hearts are filled with gratitude for all that God has done during our furlough and deputation travels. We are thankful for every place we were able to minister and be ministered too as well.

In May, we ministered at: Full Life Fellowship in Shingle Springs; Truth Worship Center in Grass Valley; New Life Church in Chowchilla; Disciples of Jesus Christ Church in Hughson; Community Praise Tabernacle in Riverbank; and our home church, Lighthouse of the Valley in Stockton.

It has been especially rewarding to see our children using their God-given talents in church services. During several of our deputation meetings, our son ministered on the keyboard while my wife and daughter sang.

One of the highlights of the month occurred on Pentecost Sunday while ministering at Community Praise Tabernacle. During the altar service, the presence of God moved powerfully, and five people received the gift of the Holy Spirit. These moments remind us why we answer the call to missions. Whether through preaching, worship, discipleship, or simply making ourselves available for God to use, we are grateful to be laborers together in His harvest field locally and in foreign lands.

Our family also celebrated several special milestones during the month. Our son, Marlon, completed 8th grade and participated in his promotion ceremony. Our daughter, Geona, received special academic recognition for maintaining Honor Roll throughout the entire year. Also, we celebrated my wife's birthday, which fell on Mother's Day this year.

As our departure date approaches, we find ourselves reflecting on God's goodness throughout our time in the United States. We are grateful for every church service, every conversation, every prayer, and every opportunity to reconnect with family, friends, and supporters. However, at the same time, we are excited to return to Brazil with renewed passion, fresh vision, and greater faith for what God has ahead.

As we prepare for our return to Brasília on June 23rd, we ask that you join us in prayer for: Financial needs before departure and upon our arrival in Brazil; God's protection and favor throughout our travels; A smooth transition back into ministry responsibilities; and fresh anointing, faith, and effectiveness as we continue serving on the mission field.

Thank you for your faithful prayers, support, and partnership in reaching souls for the Kingdom of God. We could not do this work without you. If you would like to send a special donation to help us in our transition back to Brazil, please email or call (209)405-2841.

In His Service,
