## It's May-zing News!

To all our fellow readers, we are excited to have you back with us for one final letter. This was our final month in Estonia for this term. As we will return to the United States in early June. Here are our major highlights.

May 2<sup>nd</sup>, Jesse's parents (Bryon and Debbie Hearth) came to Estonia. It was a blessing to show them what God is doing in this great country. They attended our weekly services, Bible studies, and prayed with us. Not only did they bless us, but the churches here in Tallinn and Tartu. We said our goodbyes on May 15<sup>th</sup>, and look forward to seeing them soon!

May 3<sup>rd</sup>, was a joyful and exciting day in the Kingdom of God as someone in our Tallinn church chose to be baptized in Jesus' name! Because this individual asked for the occasion to remain private, we are honoring their wishes and have not included any pictures on the next page.

We celebrated Jesse's birthday this month on May 9<sup>th</sup>. He is 26 years old! It was a wonderful time being able to celebrate with his parents. Thankful God has given him another year.

Mother's Day in Estonia is celebrated on the same day as in the United States. Our Tallinn service was a beautiful time of recognizing and celebrating all the moms in the room. We are deeply thankful for the women who faithfully nurture, guide, and pour into the next generation.

The Tartu Youth Group was able to get together one more time this month before we left. It was a special time together and we pray that God would order their steps while we are away.

Pentecost Sunday was a wonderful time of remembering God sending His spirit to us. We are thankful we can experience this on a daily basis.  
**#PentecostEveryDay**

May 25<sup>th</sup>, was our last Estonian class at the University of Tartu. It was an enriching experience and we will continue learning while in US.

Our Tuesday Bible Studies finished the Gospel of John. We loved this day of the week and spending it with our Tartu church members. Look forward to seeing them again one day.

We want to give a huge thank you to the Turners! It was honor to serve alongside them in Estonia for the past 13 months. They poured time, energy, and wisdom into us that we will take with us as we leave.

Though we may be leaving, our hearts will forever remain in Tartu. It is a place we will always call home—a town of beauty, deep history, and a future filled with promise and revival. This season has shaped us in countless ways: our walk with God has grown stronger, our faith stands firm, and our hearts are more grateful than ever before.

# Highlights

## Appreciation

These past 13 months could not have happened without the prayer warriors, intercessors, donors, encouragers, and supporters. We could not have had the success we experienced without your faithful giving and sacrifice.

Remember that you are part of team Estonia! We may be the boots on the ground, but our efforts could not have taken place without you. Our hearts are filled with thankfulness and gratitude for everything that you did to support the work here. We pray that God blesses you in your cities, churches, workplaces, families, and friends. Thank you! We love you!

## Prayer Requests

- Safe travels as we return to the United States.
- Our transition in America would be smooth.

*Thank you for reading!*
