UNITE

God moved powerfully at our annual Unite conference in Espoo! We were blessed to be joined by Rev. Mark Hattabaugh as our guest speaker, along with his son. Each service was filled with deep prayer and anointed preaching. We were blessed with multiple first-time guests and church members travelled down from as far as Vaasa (5 hours away). To top it all off, a young man was filled with the Holy Spirit for the first time, a young woman was refilled, and both were baptized in Jesus' name! God is GOOD!

FESTIVAL OF TABLES

The ladies in the Helsinki church hosted a luncheon called “Festival of Tables,” to which they invited their friends and coworkers. We were blessed to have eleven guests! Each table was decorated with a specific Bible-based theme. During the luncheon, a spokesperson for each table shared a small devotion or testimony describing the table’s theme. Tears were shed as the women shared messages of God’s faithfulness and healing. They testified about how God had changed their lives and how they now found purpose in Him. Since the luncheon, some of the guests have returned for services and have also attended other ladies’ meetings. We’re thankful for the open doors and are expecting God to create more!
