NEXT STEPS BENIN 2026: RECAP OF JUNE

CULTURE OF BENIN

It has been an amazing first few weeks! The people and the place truly do have a special place in my heart! We have seen many receive the gift of the Holy Spirit and many be healed! One thing that has stuck out to me in Benin is the community culture! Whether you are young or old, woman or man, American or Beninese, you are part of the community! The Church of Benin is a beautiful community and I am so thankful that they have allowed me to partake in it!

TRAINING COMPLETED

We have completed our 3 weeks of training! During our classes, we had the opportunity to hear from many leaders throughout UPCI Global Missions. The lessons we learned were powerful and gave me a complete new perspective on missions. I am grateful to each person that took time out of their busy schedule to invest into us. We are now beginning our apprenticeship here in Benin and so far I am loving it!

What to Pray for:

- Safety and Protection
- We will be helping evangelizing throughout many villages, pray that it will be successful
- That the work would grow in Benin, there are currently over 100 churches
- That people would seek for the Truth! Benin is the home of voodoo, and it lies very heavy on many people in their religious beliefs.
