June 2026

THIS Month's REPORT

Hello, from the beautiful country of Trinidad and Tobago! These first three weeks have been packed full of insightful training classes from amazing instructors. We have also got to make connections with the local churches. Our Next Step team has participated in testifying, singing, and teaching youth/Sunday School in the local churches. We are excited to see what the next 5 weeks hold!

Sunday Service in Diamond Village

Here our group got to lead worship service. Myself and another participant testified. Two of our amazing intrusters the Hunley's are pictured with us.

PRAYERS FOR TRINIDAD & TOBAGO

This is a map of Trinidad and Tobago. Please pray over Tobago as their church does not have designated Pastor at this point in time. This day we learned in our classes about recognizing the need where you are. The Church in San Juan would like specific prayers for more baptisms.

KEY EVENTS

The first three weeks have been about learning how to work on the field and engaging in the community. I'm looking forward to applying all this knowledge on the field over the next 5 week!

- Bible quizzing tournaments
- Participating in worship services, teaching in youth/Sunday school, testifying, and building connections.
- Graduated from classes and are now ready for field training!
