

INDIAN OCEAN ISLANDS

YOUTH OUTING

To start the month off, we had a national youth outing with all the churches invited! It was a wonderful time of fellowship and fun!

MEN'S RETREAT

The brothers of the church got together to go spend some time away and 'camp' in a location for a time filled with fellowship, fun, and the word of God

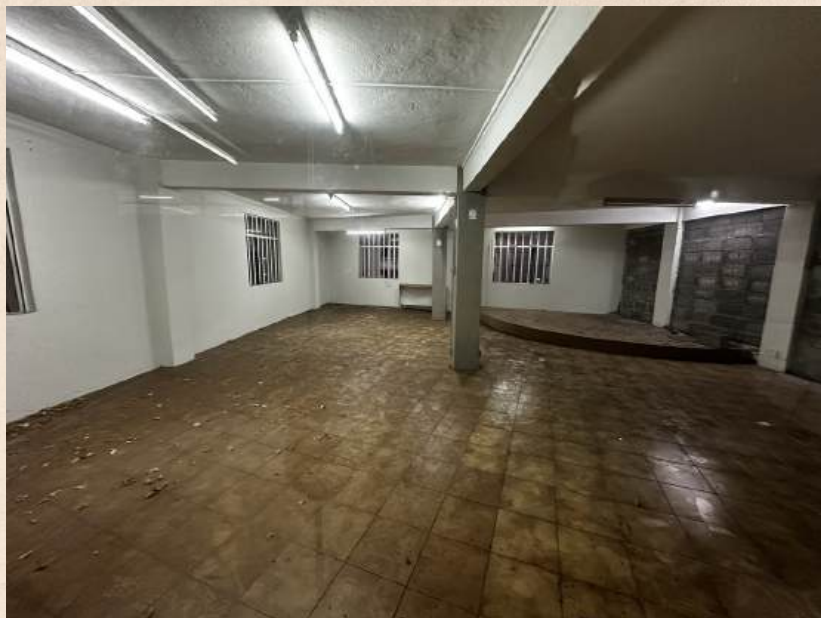

John had the opportunity to minister to the young boys and teach them what it means to live for God!

MISSIONS DEPARTMENT

John and Lexi had a special meeting with the national members of the missions department in order to brainstorm and talk about how we can improve and implement some new ideas into our future!

Poste de Flacq this month had some powerful services! We experienced an incredible move of God in each service and we are praying that we would be able to get into a building soon!

Additionally, we were able to scout out a building that used to be a church, in the city of Belle Rose! Details are still being worked out but we are praying that this will be a new church location and we will be able to start having services soon!

TRIP TO REUNION

In order to reset the visas for Lexi and Amiyah, and in preparation of a longer term visa, we took a short trip to the island of Reunion. Here, John preached a youth Sunday and we were able to witness the dedication of a new addition to our friends, Cat and Dylan.

PENTECOST SUNDAY

Pentecost Sunday was an incredible move of God! All the churches gathered at our headquarters church for a special time in His presence. We had 4 people baptized in Jesus name and 6 people receive the gift of the Holy Ghost!

We rejoice in all the islands which had a total of almost 7,000 receive the Holy Ghost and over 4,000 be baptized!
All glory to King Jesus!

SEYCHELLES

At the end of the month, John accompanied Missionary C. Richardson to the island of Seychelles to officiate a new superintendent, Brother Jernah from Madagascar. He has been working here in Seychelles for three years and we believe he will help to push the church further in Jesus name! John was able to preach to the youth while here!

ANNOUNCEMENTS

We have a special announcement to make and that is Amiyah will be receiving a new best friend by the end of this year! We are so grateful to God for this blessing of a new baby and are beyond excited for this new depth of joy!
