

# JUNE 2026 NEWSLETTER

Hello, and Bom dia from São Paulo, Brazil! The Lord has been doing amazing things in the nation of Brazil, and I am delighted to share with you all! Upon my arrival in early June, I was able to prepare and teach a nationwide Ladies bible study via zoom call. The Lord moved mightily during that conversation! I also had the opportunity to address the lovely congregation of IPUB Mooca, and play guitar in their Sunday morning services. My main responsibility is the care and attention to the four lovely Anderson children, and it has been my true joy getting to know them!

I was able to travel to the city of Asunción, Paraguay, and attend church there, while being an extra set of hands for the children, and even assist in translation of a children's Sunday school lesson! Upon my arrival, IPUB Mooca has begun English classes, which have been a pleasure to begin solo teaching!

I am also here alongside 3 amazing young lady AIMers, who have made my time even more of a blessing! The four of us have been able to work alongside each other fulfilling various needs around the church and Anderson family, whether it be cleaning the church, preparing refreshments, preparing and set up for events, or keeping track of the four children, we have become quite the team!

It has been a lovely month, whether it be building connections with the congregation here, engaging in ministry opportunities, helping and playing with the children, or learning more of this beautiful culture, my heart is full being here in Brazil! Join me in praying for this beautiful nation, and for the Lord to work mightily among the people here!
