

Uganda

What a joy it has been to serve at the Bible school and in the local community here in Uganda. Your faithful prayers and financial support make this ministry possible, impacting lives both now and for eternity. Thank you for your partnership.

Apostolic Bible College

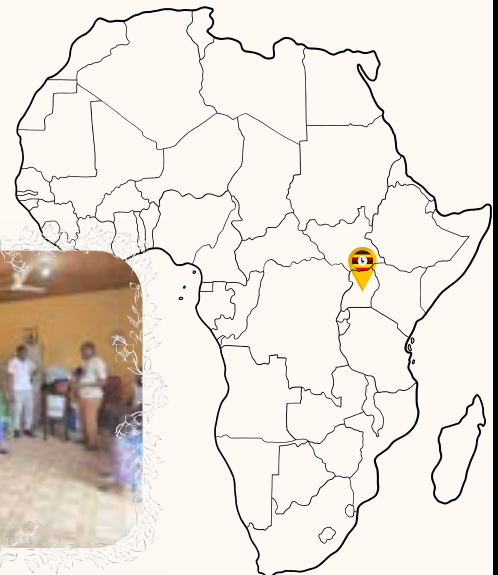

May marked the conclusion of the recent Bible school term.

We wrapped up our Prayer & Fasting course with prayer walks across the campus and throughout Bombo Village. It was encouraging to hear students share testimonies of growth in their personal prayer lives and deeper dependence on God.

We celebrated life-changing moments with several who received the Holy Ghost and were baptized in Jesus' name before the end of the term.

We partnered together to provide water filters for the Bible school. Staff and student leaders received training on the filter care. They expressed great appreciation for the gift of clean, safe drinking water.

Connections

I had the opportunity to meet Emmanuel, the sibling of one of my scholarship students in Rwanda. We spent time in prayer together, and he joined me for Family Sunday service.

Hellen and I began a weekly Bible study. I am thankful for her sincere desire to learn more about Jesus and grow in her faith.

Prayer Request

Please join me in prayer for:

- Greater revelation of Jesus Christ and wholehearted obedience to the Gospel throughout Uganda, resulting in transformed lives and strengthened churches.
- Wisdom, understanding, favor, and fresh anointing for disciple-makers across the nation, believing God for acceleration, multiplication, and lasting fruit.
- Protection, healing, and wisdom for communities and leaders as Uganda responds to ongoing Ebola concerns. Pray that the virus be contained and God be glorified.
- Greater unity among pastors, church leaders, and believers across Uganda, that the body of Christ would work together in love, humility, and purpose to advance God's kingdom.
