

AIM Belize

MAY-JUNE 2026

Highlights of the last month:

We had our very first service in the Silk Grass Village. It was a humbling experience being asked to preach. About 20 people were in attendance. The power of the Lord fell in the Police Station and lives were touched.

Calvary Lighthouse Church hosted a Pastor Appreciation service for Pastor and Sis. Portillo. I was blessed to be able to join the fun and share the word of God.

Youth on Missions: a group of 31 came from North America. We had special children's services and God filled several with the Holy Ghost.

My time here has gone by so quickly. I am so thankful to the Lord for this season of being on the field and working in the Harvest of Belize. I went to be a blessing to the people, but the reality is that the people of Belize were the greater blessing in my life. I will miss everyone so much.

I thank Bro. and Sis. Becerra for allowing me an opportunity to serve with them. I pray unprecedented harvest in Belize.

I thank God for many who are being baptized across the country!
