
MOMENTS IN TASMANIA

Lorinda Bennett

July 2026

Tasmania, Australia

This Month:

Wow! I can't believe this month has already come to an end. It's hard to believe I'm in my final days here in Tasmania! These past two months have been such an incredible blessing!

This past month, I have continued editing videos for the GATS (Global Association of Theological Studies) program, specifically for the Book of Acts. One of the highlights of each week has been teaching Sunday School on Sundays. It has been such a joy to spend time with the children, teaching them God's Word and watching them learn and grow. I've also enjoyed serving around the church in other ways, including helping with updating the notice board so members and visitors can easily stay informed about upcoming events and ministries.

Most of all, I have been blessed to witness what God is doing here in Tasmania. It has been exciting to see Him open doors and establish a strong foundation for His work here in Launceston. Watching relationships develop, new connections form, and outreach opportunities grow has been a wonderful reminder that God is working!

I am leaving Tasmania with a heart full of gratitude for all that God has done, and I am excited to see how He continues to work here in the days ahead.

God is so good!

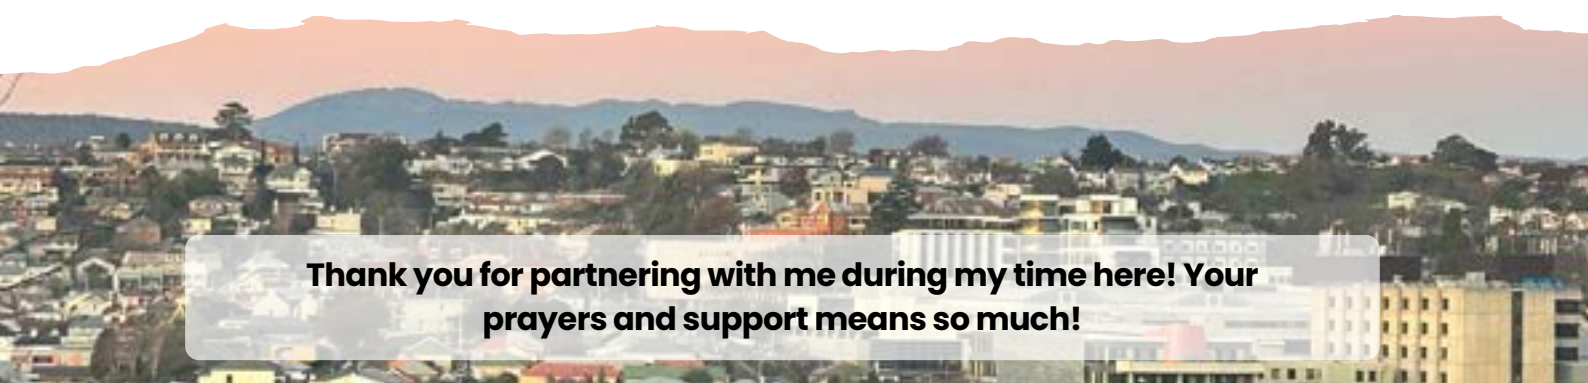

Prayer:

Join me in prayer for Launceston and for all of Tasmania. Please pray that God will continue to open doors, lead people to Him, strengthen His church, and use every opportunity to reach people here.

Fun Times:

Throughout my time I have opportunities to explore beautiful Tassie with some great friends, and learn some of its history. From exploring Port Arthur and its history to traveling around the island and seeing the beautiful landscape there is so much beauty to behold!

Thank you for partnering with me during my time here! Your prayers and support means so much!
