AMP to Uruguay

'Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life.'
Romans 6:4

At our San José church plant, one young man who had been involved in our weekly Bible studies **made the decision to be baptized in the name of Jesus**. Many would have waited for warmer weather since we are only able to baptize outdoors, but this young man did not let the Uruguayan winter stop him from being baptized. We are excited for what God is doing in his life, and in San José as a whole.

I also had the pleasure of visiting the churches in Rivera, a city on the northern border with Brazil. We held a leadership training event on Saturday and had a powerful joint service on Sunday. I even got to practice my Portuguese, which still needs a lot of work.

What's happening in Uruguay this month?

20 Baptized in Villa Constitución

The church in Villa Constitución has reported that 20 people recently made the decision to be baptized in the name of Jesus Christ! Constitución is a town of 3,000 people. We thank God for the favor and influence He has given the church there.

Semester Ends at the Bible Institute

This semester, I was blessed with the opportunity to teach, "A Panoramic View of the Old Testament". It was great to collaborate with students who are hungry for God's word, and to grow along side them. I look forward to teaching a class on leadership next semester.
