We walk in faith not by sight. If you would have looked around in late December when the ceiling of Calvary fell through and said heard us say that we are going to have our best conference Highland Awakening Conference we've ever had you would have thought we were crazy.

Through hardworking and the help of the Lord we were able carry out all of the needed repairs and host an incredible conference. God has been so good to us and we are entering into a season of promise for the Highlands. Thank you so much to everyone who worked so hard to make this happen!

In The Highlands as it is in Heaven

May

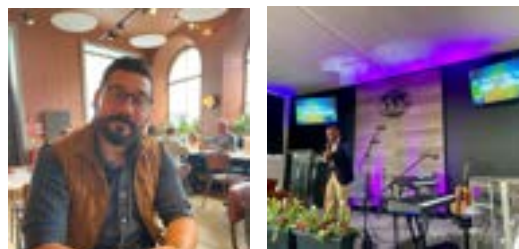

May was an exciting month of fellowship, ministry, and significant progress for both our church family and our church building. We were blessed to welcome our good friends, Landon and Brittney Gosset from Hope Family Fellowship, whose visit was a tremendous encouragement. They also brought with them many of the familiar flavours of home, a thoughtful gesture that meant so much to our family. We are deeply grateful to everyone at Hope Family Fellowship for their continued love, generosity, and faithful support of the work here in the Highlands.

Throughout the month, our weekly Bible studies and Calvary Prayer Circles continued to strengthen our church family. We were also privileged to welcome Rev. Steve Green from Paw Paw, Michigan, who visited with three of his sons and ministered at Calvary. Shortly afterward, our friend Adrian Prado joined us to help lead worship for the Highland Awakening Conference while also lending his skills to our sanctuary renovation.

One of the greatest blessings this month was the progress made on our church building. Together, we repaired the damaged interior ceiling, freshly painted the sanctuary walls, and extended the platform to better accommodate worship and ministry. After spending several months holding our services in the church coffee bar while roof repairs were underway, our congregation was thrilled to return to the sanctuary. There was a genuine sense of joy as we gathered once again in the newly refreshed space. We are so thankful to everyone who gave their time, skills, and resources to help make it possible.

The highlight of the month was the Highland Awakening Conference (28–30 May). It was a powerful time of worship, preaching, and fellowship as believers gathered from across Scotland and beyond. We were honoured to host ministry from Rev. James Beek, Rev. Jimmy Austin, Rev. Robert Kelley, Rev. Steve Green, and Rev. Landon Gosset. The services left us refreshed, challenged, and full of expectation for what God is continuing to do throughout the Highlands.

Thank you for your continued prayers and faithful partnership. Your love, encouragement, and support are making an eternal difference as God continues to build His church here in the Highlands.

“The light shines in the darkness,
and the darkness has not overcome
it.”
