July Newsletter 2026

Dear Partners in the Gospel,

Greetings in the wonderful name of Jesus! Our hearts are overflowing with gratitude as we share this exciting update with you. After spending the past year on deputation across the United States, God has faithfully brought us back to the mission. We are reminded that the harvest is still plentiful, and we are thankful for the opportunity to once again labor where God has called us.

Before our departure, the Lord blessed us with opportunities to minister in three wonderful churches, sharing our burden and vision for Brazil while continuing to raise support for this great work. We were honored to be with: 2nd Long Beach Apostolic Church; Journey Church in South Gate, California; Harvest Tabernacle Church in Eagle Rock, California. We are so thankful for every pastor, congregation, and individual who welcomed us with open hearts, prayed with us, and invested in the work of missions.

On June 23, we departed for Brazil, arriving safely in Brasília on June 24. Although it was nearly 2:00 a.m., we were warmly welcomed at the airport by our Superintendent, Pastor. Stênio, and his wonderful family. What a blessing it was to be greeted with such genuine love after our journey home.

Just a few days later, many of the pastors and leaders from our churches throughout the Brasília Federal District gathered together for a welcome-back fellowship. It was a beautiful time of reconnecting with friends, fellow laborers, and the church family that we have dearly missed. We were reminded once again that the Kingdom of God is built through relationships, unity, and a shared burden for souls.

The Lord has also blessed us by allowing us to move back into the same home we previously lived in. Over the past several days, we have been unpacking our belongings from storage and getting our home settled once again. We are grateful for God's provision and faithfulness through every step of this transition.

We also had the privilege of meeting with our Missionary Supervisor, Bro. Michael Walmer and Sis. Ivonne Walmer, as well as the IPUB Brasília District Board. Together we discussed ministry opportunities, future plans, and the exciting work that God is doing throughout Brazil.

As we continue settling into ministry, we ask that you would join us in prayer:

- That God would open the door for us to purchase reliable transportation. We are currently using a rental vehicle while we search for the right vehicle to meet the needs of our ministry.
- For wisdom and direction as we begin this new season of ministry.
- For a great harvest of souls throughout Brasília, the surrounding region, and throughout Brazil as we minister.
- For God's continued protection, provision, and anointing upon our family.

Thank you for standing with us through your faithful prayers, encouragement, and financial support. Because of your partnership, lives are being reached with the Gospel in Brazil. We believe the greatest days of revival are still ahead, and we are excited to see what God has planned. Thank you for believing in the call God has placed upon our lives. Together, we are making an eternal difference.

With grateful hearts,

THE GAYLES
