

Building for Tomorrow

"Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord."

1 Corinthians 15:58

The work in Ouégoa continues... A team spent the day continuing the construction work on the church's gathering place before coming together for the Sunday service. It was a wonderful time of fellowship, service, and encouragement with our brothers and sisters in Christ.

We give glory to the Lord for three baptisms ! We rejoice with our brother and sisters who have publicly declared their faith in Jesus. Thank you for continuing to pray for them as they walk with Him.

Preparations for NAYC 2027 have begun !

Our young people have started fundraising to help support their journey to NAYC 2027. We look forward to seeing all that God will do through this incredible adventure.

"We will not hide them from their children, shewing to the generation to come the praises of the Lord, and his strength, and his wonderful works that he hath done." - Psalm 78:4

In every season, God remains faithful. Our desire is simply to remain faithful in every season, by continuing to serve, to sow, and to build for tomorrow.
