FAMILY CAMP IN SLOVAKIA

The brightest spot in our unusual month was getting to attend and participate in Slovakia's Family Camp! Bro. Tir asked Reece to do two of the devotionals and covered our entire trip out of the kindness of his heart, even the rental car we needed since ours is out of commission. We were so blessed by that. The services were amazing and the people were wonderful to fellowship with. We felt very cared for and loved all week - and it made such a big difference for our spirits after being somewhat alone in Croatia.

A DIFFERENT KIND OF MONTH

This month was different for us than most. We cannot legally drive our car right now due to an issue with the emissions filter, and getting that taken care of has been an extensive, complicated process. Because of this, it has been much harder for us to get into Zagreb to minister than we would prefer. This is an obstacle we can't navigate around ourselves, we just have to do what we can and let the Lord handle the rest. So far He has been moving in our situation, just not in the timing we expected. On the bright side, it has given us time for personal study and an opportunity to work on the language and focus on what we can do even when things don't look the way we expected them to.

SUPPORT THROUGH PRAYER

Please pray for God to guide our steps and lead us to hungry souls. And please pray for liberty in the spirit for those who want to take a step of faith toward the Truth. And still, please pray for the favor of the Lord as we work to get our car back.
