Our second weekend was to the village of Julesburg south of Tzaneen. It was a 2.2 hour drive through a mountain range with some sheer drops and beautiful views to The UPC Julesburg. This church is a Xitsonga speaking church (avuxeni - 'ah-voo-shayni' - hello!). We had teaching on Salvation on Saturday and preaching on Sunday. The Lord filled 7 more with the Holy Ghost on Sunday morning. Praise God!

Our last weekend in Limpopo was spent at Freedom Centre Pentecostals in The Westenburg area of Polokwane. We had a wonderful time with Pastor Homela. Two prayed for healing.

Our final week was spent at the Sub-Regional conference in Johannesburg participating in MK ministry while being involved in some fantastic services. God is moving Africa Forward!!

The weekend ended at New Life Tabernacle in Pretoria, a church built by the Freemans! What a great service with two receiving the Holy Ghost, two baptized in Jesus Name and two miraculously healed!

We praise God for all He accomplished!
