

AIM in Brazil

ELIZABETH MOHL | JUNE 2026

OPPORTUNIDADE

On my first Sunday here, I had the opportunity to share with the church for the first time. I spoke about where I'm from, how God led me to Brazil, and why I chose to serve alongside the Andersons. It was a blessing to share part of my testimony and encourage the congregation with a few verses from God's Word. I'm thankful for the warm welcome and look forward to seeing all that God will do during my time here.

PARAGUAY

I was blessed with the opportunity to travel to Asunción, Paraguay, with the Andersons. While Bro. and Sis. Anderson taught seminars, I helped watch the children, and I also had the privilege of attending a Spanish service that Sunday.

LADIES MEETING

I had the opportunity to help decorate and bring food for the ladies' meeting. I also had the privilege of hearing one of the women from the church teach. I'm so thankful to be a part of these church events, and listening to teaching in Portuguese is helping me learn more each day.

RETREAT

IBUP Mooca hosted a retreat for church leaders at a hotel. While the parents attended Bible studies, a few of us watched the kids. We spent time at the park and let them swim—they had so much fun!

The members of IPUB Mooca have been incredibly welcoming and are eager for us to serve wherever needed within the church. I have been helping clean the church each Friday, and recently, English classes have begun on Saturdays, which the other AIMers and I have the privilege of teaching. In the future, I look forward to being involved in the music team and assisting in Sunday school.

I especially enjoy spending time with Bro. and Sis. Anderson's children—Grant, Lydia, Ronan, and Lexi. It is truly amazing to hear them effortlessly switch between English and Portuguese at such a young age. Brazil is a large country with a population of 213.4 million people, many of whom still need to be reached. Please continue to keep them in your prayers, and thank you for your faithful support.
