

July Events

The Next Steps Group and Team took a trip down to the southern tip! This city is called Icacos.

We got the opportunity to teach in the Bible College!

We hosted a football camp with the amazing leadership skills of Hannah Alazaus!

We were privileged to host VBS not only in Trinidad, but in Tobago as well!

We were also blessed to teach multiple Wednesday night Bible Studies!

Past Event Photos

Here are some pictures from several of the opportunities that we were able to experience this past month!

Growing Opportunities

This month held many opportunities, many events, many late nights and early mornings, and a whole lot of Jesus!

We were so very blessed to go down to Icacos at the end of June to visit the church, witness to everyone we could, feed the community, and spend time with all of the people there. While we could not completely communicate with each person, it was so wonderful to communicate through the universal languages of food and football. Each person we met had such a grateful heart and it was such a joy and a blessing to get to love on them!

The Next Steppers got the opportunity to teach several classes at the Bible College here in Trinidad. Not only did I get the chance to teach one class, but multiple classes with both Bible College groups. It was such a privilege and an honor to get to teach these wonderful people and help grow them, and myself, in the Word.

Of course, every good group is ran by a high motivator; ours is coffee. If coffee was involved, we were up and at 'em! Brother and Sister Brian made many, many coffee stops and always made time for us to get our caffeine in.

Just these few moments have left a lasting impact on my life, how I view ministry and how to be, not only a better leader, but a better follower of Christ.

Next Steps Lead Opportunities

On top of all of the wonderful things experienced, we were also given several opportunities to lead events as well.

There were several youth/hyphen events held. We were able to connect with the local churches, inviting the youth and young adults to come together, worship and fellowship.

Additionally, Hannah Alazaus, one of the Next Steppers, got ahold of Amber Martin to put together a Greater Works Football Camp for the nationals! Not only did many children/youth/ hyphen come from the churches, but also over 30+ young people from the community came to participate!

We were also able to host VBS for the United Pentecostal Church of Trinidad & Tobago, and were given the opportunity to fly over to Tobago to get connected with the church and children of that area!

We were blessed to lead worship for services, lead several Wednesday Night Bible Studies and given the chance to truly stretch and grow our abilities/talents. I was blessed to be able to create several promotion videos for many different events here in Trinidad and hope to grow in this area!

Truly, spending these last two months here in Trinidad & Tobago has been transforming and I cannot wait to see where God takes me next!
