

Next Steps 2026

Trinidad and Tobago

Now coming to a close of eight weeks in the beautiful country of Trinidad and Tobago, we have now traveled from San Juan, Tunapuna and Diamond Village to Arima, Couva, Chaguanas and the church on the island of Tobago. Embracing opportunities to serve and minister in ways we were not accustomed to before coming to Trinidad. From teaching on Sunday mornings,

Wednesday nights and Bible School to dancing, singing and engaging with children at VBS, we will be leaving a piece of our hearts here.

Bible School

San Juan Bible School

Bible School was held at two locations, one at Chaguanas and the other at San Juan. The five of us each had the opportunity to teach lessons. Our lessons consisted of foundational principles for doctrine and holy living.

- Repentance and baptism in Jesus name.

Vacation Bible School

Diamond Village VBS

The last two weeks have been all about VBS. We have traveled to Couva, Diamond Village, Tobago, Chaguanas and San Juan for vacation bible school. It has been wonderful to see the kids seek Jesus and want to learn more about Him.

Prayer requests

- They would memorize the scriptures.
- The seeds that have been planted would grow and shape their lives.
