

# Uganda

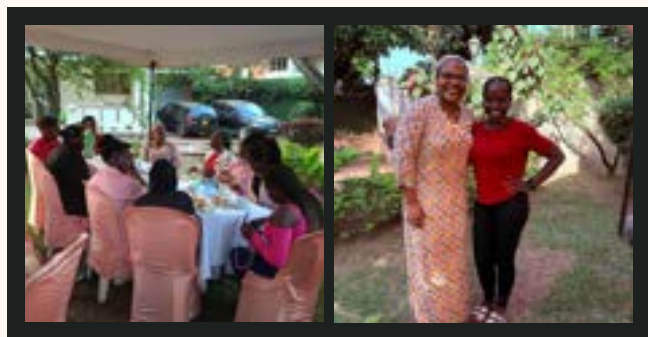

*Thank you for your continued generous support through prayers and finances. Because of you, the gospel is being spread, and lives are being transformed. May God continue to bless you.*

## United Apostolic Church

I had the opportunity to minister at the Banyarwanda UACU in Kampala. It was amazing to be with our brothers and sisters in Christ of Rwandan descent. Meeting in a tent, they ushered in the presence of the Lord with their traditional praise and worship. God's sweet presence filled the tent, and lives were impacted.

## New Life Apostolic Church

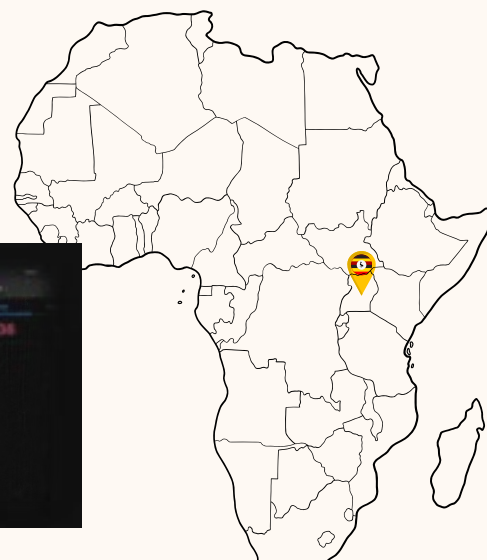

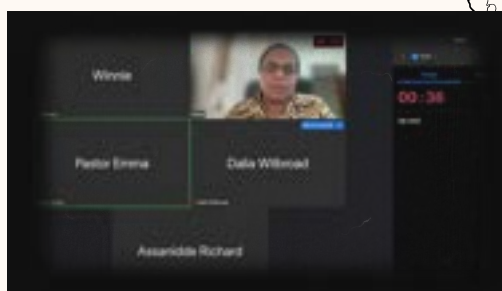

I spoke at a single ladies' tea. God ministered to each young lady, many of whom are facing different challenges in adult singlehood. We had food and fellowship, but most importantly, the beautiful presence of God that met with us. Clare, my neighbor, attended this event with me. We've met a few times to discuss the word of God and to pray together.

## Apotstolic Bible College

During the school break, I'm facilitating an online Biblical Interpretation (Hermeneutics) course with ABC's faculty. The faculty work independently, reading the text and watching the videos.

We connect weekly via Zoom for an online class discussion. In this pilot program, God is helping us work through the technical challenges, enabling us to connect from various parts of Uganda.

## Connections

I'm thankful for the opportunities to have taught Bible studies with several people this month.

I hosted Robine, Babrah, and their beautiful girls for dinner. Robine, an Uber driver, has received several Bible studies from the missionaries and me. Babrah and I meet separately on Saturday evenings. Both desire a greater understanding of the Word of God, and Robine has been praying to receive the Holy Ghost.

Helen and I continue to study the Word of God together weekly. She's growing more comfortable praying independently and talking with God on her own.

I met Josiphone at a shop near my apartment, and we began talking and praying together. She's agreed to meet weekly for Bible study on her one day off.

## Prayer Request

Please join me in prayer for:

- A greater revelation of Jesus Christ and wholehearted obedience to the gospel throughout Uganda, resulting in transformed lives and strengthened churches.
- Wisdom, understanding, favor, and fresh anointing for disciple-makers across the nation; believing God for acceleration, multiplication, and lasting fruit.
- Greater unity among pastors, church leaders, and believers across Uganda, so that the body of Christ would work together in love, humility, and purpose to advance God's Kingdom.
