

July

PRAYER POINT: THAT GOD WILL GUIDE US AND GIVE US WISDOM AS WE LOOK TO MOVE TO A LARGER CHURCH LOCATION.

JULY 1ST

Before coming to the Mairinque church, the Santos family swore they would never step foot in a church again. Not only are they coming to church, but we had an amazing service in their home!

JULY 2ND

We had another amazing service at the São Roque preaching point. We have begun looking for a larger space!

JULY 5TH

Julie was able to help a family from the church with groceries and clothing.

JULY 10 & 11TH

The Mairinque church hosted the first Harvest Festival in the city of Mairinque. There was participation from various churches, local vendors, and neighboring cities. It was a great time of fellowship and connection!

JULY 21ST

A woman on the street stopped Julie and asked for help with groceries, personal hygiene items, and cleaning supplies. Julie was able to witness to her, give her our contact information and provide the help she needed. We thank God for this opportunity to help others!

JULY 23RD

We had a wonderful service at the São Roque preaching point. Mack brought the word and Julie led worship.
