LACY YOUNG

JUNE 12–JULY 12 2026

It has been such a blessing having Bro. and Sis. Carvajal with us in Berlin. Not only have we become friends, we also become family. I pray that our paths will meet again and that we can work together for the Lord.

A “European” Fourth of July

You can take the kids out of America but you can't take the America out of the kids! We had such a wonderful time celebrating the Fourth of July together. From hotdogs to S'mores, all we were missing were the fireworks!

A little bit of “home” came to visit! My best friend, McKenzie, came to stay for ten days. It was her first time in Europe and she has finally been able to fulfill her lifelong dream of visiting Germany. She did a wonderful job speaking for our Thursday night bible study. She encouraged us with an uplifting word. What a blessing she has been and will continue to be in covering Germany with prayer.

We have had such a great time of fellowship with members of the church family. We have enjoyed dinners after church services, dinner with bible study, game nights, and tours of different cities. It is the hope of the leadership here in Berlin, to increase the fellowship activities. Everyone in this word is looking for a place to “belong” and we want to be the place where they find a home!
