

BARCELONA, SPAIN

SERVICES & FELLOWSHIP

God continues to pour out His Spirit in Barcelona, Spain. Many more have been baptized and received the Holy Ghost this month! I have also continued to make contacts throughout the city and connections with many others. There are so many hungry souls to be reached here and I ask that you would pray for God to send forth more laborers into the harvest.

LIFE GROUPS

I have continued assisting a sister in the church with the Filipino life groups. We have continued to meet online on Tuesdays and with our new group on Wednesdays as well. I also taught a Saturday life group twice this month with another group and enjoyed great moves of God and fellowship there. We also had a special gathering together of several life groups at the end of the month to celebrate birthdays and have a good time of fellowship together. This month the church recorded over 40 first time visitors to life groups!

R.K.R. TRAINING

This month I started missions training under the R.K.R. (Robert K. Rodenbush) training program which I will be attending for the next two months. We have already had sessions with many great teachers and also guest speakers such as Bro. Howell, Bro. Grandquist and the Corbins. As part of our training we did outreach for a new daughter work from the local church that opened this month in a new part of the city. We also did a prayer walk to cover an area of the city that was having problems and have already seen great improvements. I am also still in language school and my spanish is improving!

PRAYER POINTS

- That God will open the spiritual eyes and ears of the people of Barcelona.
- That our life groups will be a place spiritual harbor and growth for our new converts and saints.
- For those newly converted to be established well in the truth.

"Then He said to His disciples, "The harvest truly is plentiful, but the laborers are few. ³⁸ Therefore pray the Lord of the harvest to send out laborers into His harvest." - Matt. 9:37-38

GIVING INFORMATION

Thank you for your continual financial support!

One Time Giving:
