

NEWS FROM WESTERN FRANCE

GREETINGS IN THE WONDERFUL NAME OF JESUS!

The month of July has been full of God ordained moments! Once we got back to France, we were able to reconnect with some of the contacts we had during our first term. People are still open to the Gospel! We had our first service in Nantes on July 5th. Sigrid and Jacky, who we met last year, came to church for the first time. We were so excited! God also opened a door for us to have a service in the city of Angers on July 12th. Angers is another key city in the region of Pays de la Loire. Eleonore and David, another couple we met last year, came to our service in Angers. Please keep these precious people in your prayers as we want to see them saved. Another lady in Angers named Mouren is desiring for us to teach her a Bible study. We truly believe that God has a people in this city!

We were also able to reconnect with a man named Joel. Since we came back, we have taught him three Bible studies. He is open to the Gospel, and we are believing God for his complete salvation.

STUDY WITH YOHANNA

We have also been able to connect with Yohanna. She is a believer who is hungry for the Holy Ghost. We were able to teach her a Bible study on the Oneness of God. We believe God wants to do a great work in her family as well.

From July 22-24, we had the privilege of attending the EURO YOUTH Congress in Milan, Italy. Over 1,300 people were in attendance. God manifested His presence in a powerful way and we were blessed to hear powerful messages. We were also blessed to reconnect with wonderful friends.

God has been so good in leading us to hungry people. We are trusting Him to do a great work of salvation in all the people He has lead us to. Please continue to hold us up in prayer and pray for our contacts. Pray for God to open up the hearts of men and women of this region to receive the Gospel.

Thank you for partnering with us in prayer and we also thank you for your financial support.

We love and appreciate you!
