

THE NETHERLANDS

July 26'

July has been such an amazing month! First, I can't express how blessed I am to work alongside such amazing and hardworking people. Even though the Calhouns are currently away on deputation, their ministry continues to reach all across the Netherlands. I'm also so blessed to have the opportunity to work alongside young leaders who are true examples of what it means to lead and serve.

None of this would be possible without those who support me. It is because of you that I have the opportunity to be in this beautiful country, serving and working for the Kingdom of God. I truly honor and thank each and every one of you for believing in me, praying for me, and partnering with me in this journey!

Freedom Church

Even though many people are currently on holiday, we are still seeing Freedom Church packed out! It has been incredible to see God continuing to move and bring people together, and I truly believe this is a sign that God is preparing us for a new building.

I'm also continuing to preach and teach Bible studies at Freedom Church. Even though summer can be a slower season, it has been so encouraging to see people remain hungry for the Word of God and continue to come together. I'm excited to see what God has in store for Freedom Church in the months ahead!

EYC

I had the opportunity to attend Euro Youth Congress in Milan, Italy, and it was such an amazing experience! It was incredible to see young people from different countries come together under one roof, united in our love for Jesus. Seeing so many nations represented, worshipping Jesus together, was truly a beautiful reminder that the Kingdom of God reaches far beyond borders.

Social Media

I also had the opportunity to work alongside someone from the church to create some new social media flyers. This was definitely different from what I normally do, but it was so much fun, I am thankful for opportunities like this that allow me to serve in different ways!

Het Keerpunt

I was privileged to have the opportunity to minister at our mother church, Het Keerpunt. We experienced a great move of God, and I'm so thankful for the opportunity to serve and see what God is doing in the church!

Prayer Requests

As I enter my final month here in the Netherlands, I would love for you to pray with me for these things:

- Pray that during this last month, we will see God move like never before and that lives will be changed for His Kingdom.
- Pray that my transition back home will be smooth and that God will guide me through every step.
- Pray for Freedom Church and for God to provide a new building that will allow the church to continue growing and reaching more people.
- Pray that I will reach as many people as possible during my remaining time here and that I will walk with boldness, courage, and confidence in all that God has called me to do
