

Denmark

A highlight for the month of June was being invited to take part in the historic inaugural weekend for Klippan Falun church in Falun, Sweden. This special event marked the culmination of two years of hard work spent renovating a local space to transform it into a house of worship. I was excited to join the worship team and help serve behind the scenes.

The launch featured a two-day celebration that included community outreach with activities for kids, food, and a live concert. Bro. Robert Kelley, our regional director, traveled to Falun to officially dedicate the new church building. It was a joy to not only serve in Sweden, but to also connect with others from Scandinavia.

In Denmark, much of June was spent preparing to host the 2026 UPCI Scandinavian Conference in July. I had the privilege to serve by helping with some of the initial groundwork, such as touring potential venues. We are looking forward to a great time together with our brothers and sisters.
