

Denmark

July was one of the most eventful and impactful months yet!

Denmark had the distinct honor of hosting the 2026 UPCI Scandinavian General Conference in Copenhagen. Brothers and sisters from all over Norway, Sweden, and Denmark gathered under one roof to worship together. From the very beginning, a powerful spirit of unity permeated the conference. General Conference kicked off with ministers' meetings to strategize, plan, and cast vision for the future of the church in Scandinavia. We were blessed to have Bro. & Sis. Kelley (regional directors), Bro. & Sis. Harpole (Terre Haute, IN), and many others come together with the church in Denmark to provide a powerful conference. The schedule was packed and offered something for everyone: men's breakfast, ladies' luncheon, kids' church, and more! Talented individuals from all across the region collaborated to lead us into God's presence each day. Following service, everyone was invited to enjoy dinner and fellowship at Levende Kirke. Many great things happened during the conference. Madeline (the Bretts' daughter) was healed of a spinal disorder! A young lady who had recently begun visiting the church in Denmark received the Holy Ghost! It was an unforgettable conference that left our regional church family refreshed and ready for revival.

European Youth Congress 2026 was held in Milan, Italy. I was privileged to be a part of a group of 11 representing Denmark. It was truly awesome to gather alongside more than 1,000 youth from across Europe. The trip was a great time for our youth to build camaraderie and be spiritually fed. I am happy to say that our most recent addition to the youth group received the Holy Ghost at EYC! It is impossible to fully measure or describe the incredible ways God moved and worked in the hearts of everyone present.
