

Alicia & Baptiste in Paris

Arras

We had the privilege of ministering in a church in northern France, where we celebrated with this church as 1 was baptized. It was a wonderful opportunity to reconnect with the family of God from across the nation.

There we met a mother whose daughter now lives in Paris and has drifted from the church. Since then, we've been able to make contact with her daughter, and we're praying this will be the beginning of a meaningful connection.

Evangelism

France has had record-breaking heatwaves with weeks of 30-40°C. Like many homes in Europe, AC is uncommon, so everyone has felt the effects. As a simple way to bless our community, our team went to a local park to hand out cold water bottles. It opened the door to several meaningful conversations and new connections.

We've also hosted several gatherings in our home as we continue striving to build community in what can often be an isolating city.

Baptisms

In the past 4 months, PCC has baptized 12 souls! One of those is a young lady named Gabriella. After reading her Bible, she became convinced that she needed to be baptized in the name of Jesus. However the church she was attending refused because it was not their practice and told her she was no longer welcome. That was when she found PCC! Since then, Gabriella has been baptized in Jesus' name, begun a Bible study, and has already brought several friends to church.

PCC 17

Since February, we've welcomed over 35 guests to our campus, and our average attendance has grown to around 23 people!! We rejoice as we've seen several people connected to both PCC campuses be baptized and get plugged into Bible studies. We've also had the privilege of watching many step out of their comfort zones and begin serving in different capacities, and it has been such a blessing to see the steady growth of our campus and all those involved.

To wrap up the season, our Food & Fellowship service included 4 members who shared their testimonies, making it a wonderful time of encouragement and fellowship together. As our rental facility is closed for the month of August, we'll be taking this time to rest, refresh, and prepare for all the greater things the Lord has in store for September!!

We are preparing to head back to Canada from Aug 7-Sept 2
