

AMP BANGLADESH

Dhaka

The students who came to Bangladesh on the Apostolic Youth Corps (AYC) trip returned to the USA on July 3rd. We praise the Lord for everything that took place while they were with us, including seeds planted and souls filled with the Holy Spirit. The good news is that as we have returned to our usual schedule of services here in Dhaka after AYC, Kingdom work has continued to press forward all across Bangladesh.

Bible School Students

The students enrolled in our Rev. Guy E. Roam Memorial Bible School were given a break for the month of July. During this break, several of our students have gotten involved in local ministry, taught Bible studies, began children's ministries, and preached in their local churches. We are excited to see our students thriving in ministry!
