July 2026

I want to say thank you to everyone who has reached out, prayed, and supported my family and me over the past few months. I am glad that I was able to be with my mom when she passed and have been able to spend some time around those I grew up with. While stateside, I've gotten to work with the Sunday School kids and Power Hour group on Wednesdays as I had before.

The kids enjoyed getting to learn some songs that I learned in Japan! I recently wrapped up 2 fundraisers as well. One was selling mini cookies, and the other was a pancake breakfast. Both of them exceeded my expectations in raising funds, and I exceeded my goal to return! Thank you to all my church family and supporters who have helped me get this far and help me keep going. I know God will bless all those who have been such a blessing. Please continue in prayer for the students, school, and church in Nago. We are expecting another AIMER joining soon! Also, please pray that I can renew my visa smoothly with no issues, as I'm returning and will have to do all the paperwork quickly. God bless!!
