JULY 2026

Euro Youth Congress

Getting to be a part of EYC was an amazing experience. While there, I worked registration twice, helped direct people, and worked the global student ministries booth. Being able to serve at this event was one of my favorite parts. It was amazing getting to meet so many new people and making connections with people from so many different countries.

Being in RKR has helped me to step out of my comfort zone and meet new people along with praying for others in the altar. I am so thankful for the opportunity to share in such a spiritual experience with youth from all over Europe. We are rejoicing with the many students that were either baptized or received the Holy Ghost at EYC!

Please continue to be in prayer for the construction of the church in Gracia, the Ueckers who are about to depart for deputation, everyone that is leaving RKR to continue their ministry work, and the individuals staying behind to manage the work in Barcelona.

Andorra Kids Service

One of the greatest highlights of this month was helping lead the first children's service in Andorra. We had 14 kids in attendance, a few of them never having been to church before. Getting to teach and sing songs with the children was amazing. However, the best part was how much the parents appreciated having someone there to be with the kids. They kept asking when we would be back or if this is something that will happen every Sunday. It just goes to show how necessary laborers are to this harvest.

Escuela Vacacional!

Vacation Bible School was a very different experience, but I am so grateful that I was able to be a part of it. It was remarkable to see how everything that we had been working on for weeks came together. Everyone put their all into everything they did. I was the leader of the "Estrella" group. I am so thankful for the opportunity to work with children from a different culture and learn as much from them as they did from me, probably even more. I have felt so welcome by the church while working on VBS. I loved being able to use the talents that God gave me for His kingdom!

Adios Barcelona!

Before saying goodbye to Barcelona, I want to say thank you to everyone who made this trip possible. Thank you to everyone that gave through fundraising, prayer, and words of encouragement. Your support has been such a blessing. Thank you to the Ueckers and everyone at RKR, they have built something incredible and I can't wait to see where God takes RKR.
