SEVILLA

I have finally been able to move into an apartment in Sevilla. I was in an Airbnb for a month and am now in an apartment where I will be able to stay for the remainder of my time here in Sevilla.

We have started doing weekly meetings and outings with the youth. It has been a blessing to get to know each of them and spend time with them.

I have had the opportunity to help on the worship team here. Singing is not one of my greatest strengths, but I am grateful to be able to help.

I have continued doing Bible studies with a couple of contacts online, which I am also grateful for.

GSM

GSM received a lot of good feedback at EYC. Based on some of the feedback received, we will begin doing monthly training calls again.

GSM MALTA

GSM Malta has continued doing Bible studies over the summer, and the above is a photo of one of their meetings. I am so grateful for what the Lord is doing in Malta.
