

In Paris as it is in Heaven

I'm so thankful to be back in Paris after fundraising in the US this summer!

Many people in Paris travel during July and August and the city effectively shuts down for several weeks, especially this year after the city endured multiple record-breaking heatwaves. But even in spite of that, the Lord has still been moving!

Several were baptized and filled with the Holy Ghost over the summer, and are now active members of our church!

Now, as September is here, we are off to a strong start with new City Groups, Bible studies, a new semester of Purpose Institute, and many other exciting changes.

We can't wait to see what Fall will bring!

Summer Fundraising & Dear Girls Conference

THANK YOU to everyone who gave to the cause in Paris and helped to return me to the field!

THANK YOU to all my new partners receiving this update letter!

I am so grateful for every church and individual that blessed me this summer. Thank you to the MO District and TN District for allowing me to be at your campmeetings & for your kindness & generosity.

Thank you ALL for your love for missions and the kingdom. I am so humbled and thankful. God is faithful!

I was also so blessed this summer to be a part of **Dear Girls Conference** in Memphis, TN. This is truly a life-changing event, and I was honored to be among the many incredible women who ministered at the conference.

I thank God for my pastor's wife, Stephany Parkey, and her vision for impacting this generation!

PCC Young Adults

I was recently made the Young Adult Pastor at our church. PCC Young Adults will be meeting regularly to discuss topics relevant to that age group, helping them to grow in the Lord and in their ministries, find direction and purpose, and apply Jesus' teachings in all areas of their lives – education, career, relationships, finances, etc.

Purpose Institute

We are so excited to start our 4th semester of Purpose Institute! **This year, we are expecting around 8 of our students to graduate with their first diploma level.**

Purpose Institute has been such a blessing to our church, and we have seen firsthand how it has impacted the lives and ministries of our students.

City Groups

We have officially launched a new semester of CityGroups, small groups that meet throughout the city of Paris. These groups have different themes and demographics, and are meant to provide community, involvement, discipleship, and evangelism to our church and city.

MERCI!

Thank you for your support and continued prayers. I am so grateful for my pastors at GraceLife Memphis, Bill & Stephany Parkey, and the great team here in Paris led by the Brochus and Carsons.

We are in revival, and believing God for great things!
