

Mission Report: Senegal

MISSION REPORT – JULY 2026

- **4 people received the baptism of the Holy Spirit.**
- **1 person was baptized in water in the Name of Jesus Christ.**
- **New homes are opening their doors to host Bible studies.**

HOME BIBLE STUDIES

The work continues to progress beyond the walls of the church. Church members are visiting homes to teach Bible studies, bringing the Word of God directly into the hearts of families. In addition, more members are beginning to express a desire to receive Bible studies themselves, demonstrating a growing interest in the teaching of God's Word.

UNIVERSITY BIBLE STUDY

The Bible study at the university had to be temporarily suspended due to the end of the academic semester, as access to the university is no longer possible during this period.

We thank God for the work accomplished among the students and for the interest they have shown in the Word of God. The Bible studies will resume when the university reopens, which is scheduled for October.

Thank you for your invaluable support.
