

Greetings in Jesus Name!

The Lord Jesus is faithful! We are thankful and excited to say that this August, the Sunday School program in Paramaribo has been restarted. Alexia has been doing a wonderful job teaching the children in Sunday School. New Hope Church in Paramaribo also had some wonderful preaching on Sunday services. Pastor Faustino Fernandez (Paramaribo Spanish Church Pastor), Pastor Tina Lingaard (Apoera Church Pastor), and Pastor Genieva Nooitmeer (New Hope Pastor) all preached phenomenal messages. We were blessed to have missionaries Steve and Cheri Smith visit for a short time. God's preserving hand never ceases to amaze. Pastor Faustino was traveling on his motorcycle when a car cut in front of him and he was rushed to the hospital. Thankfully, the Lord kept him and suffered a severely bruised and scraped up knee along with two broken toes. Please keep him, his family, and all our church families in your prayers. God is good and he is on the throne.
