

PIO'S IN THE PACIFIC

August 2026

Associate Missionaries (AMP)

Praise the Lord, we are back in Fiji!!

We touched down on August 22 and drove to the Bible School in Suva. We enjoyed being with family over the past few months and visited quite a few churches. We thank the Lord for His provisions, protection and the privilege to serve Him on the mission field. This is possible because of the generosity of churches and individuals who are helping us to bring the gospel to the whole world. Our sincere thanks for your continued support and prayers are appreciated and we pray the Lord's blessing fall on you all.
