

THE Ricard's IN CANADA

AIM Newsletter - AUGUST 2026

Like much of France, August is a month of rest and vacation. With our campus building closed for the month, we had the opportunity to pack our bags and head back to Canada for some much-needed time with family and friends.

It was a month to be refreshed, sit and receive, and simply get our fill of big hugs, great meals, and wonderful moments with the people who faithfully love us, pray for us, and cheer us on from across the ocean.

Capital Community Church continues to be such a refuge for us, a place where we are always warmly welcomed, loved on, encouraged, and covered in prayer. We are so thankful for a church family that continues to pour into us and stand behind what God is doing in Paris.

We are also grateful for the new friends God allows us to meet along the way. This trip, we were delighted to meet Pastor Charles and Sis. Patti Kennedy. We are thankful for their kindness and the wonderful church family they serve.

We return to Paris ready for what God has in store for this next season!

We would love for you to join us in prayer for:

Our Main Campus: Pray that our main campus continues to grow in strength and unity, and that we would see more souls reached and baptized in Jesus' name.

PCC 17: As we transition from a season of establishing the campus into a season of growth and reaching, pray that God would open doors and connect us with people who are hungry for Him.

Purpose Institute: Classes are restarting! Please pray for our students as they grow in their knowledge of the Word, their calling, and their walk with God.

Healing: We have several critical health needs within our church family that require divine intervention. Please join us in praying and believing for complete healing and miraculous reports.

Wisdom, Protection & Direction: Pray for God's wisdom and protection over our church, our families, and our leadership, and that He would order our steps as we move into the remainder of the year.
