MADAGASCAR NATIONAL CONFERENCE

What an incredible Madagascar National Conference we experienced! It was truly a powerful and unforgettable time in the presence of God as thousands gathered together with one heart and one purpose—to worship Him. We rejoiced as 1,556 people received the Holy Ghost and 159 were baptized in the name of Jesus! We are so thankful for what God is doing in Madagascar and believe this is only the beginning of an even greater harvest!

A special congratulations to all of our Bible School graduates! We are so proud to celebrate this incredible milestone and honor 50 years of graduates who have been equipped and sent out to serve the Kingdom of God.

UPCIOI CONFERENCE

What a wonderful and refreshing time we had at the IOI Conference in Mauritius! It was such a blessing to spend time with the missionaries who were able to come from across our region, as well as with our incredible leaders. We are so thankful for the fellowship, encouragement, and time together in God's presence. We left feeling refreshed, challenged, and excited for all that God is doing throughout the Indian Ocean Islands!

As we look ahead, we are excited for this next season here in Madagascar! We are beginning our Malagasy language studies and are looking forward to the opportunity to teach at the Bible school and invest in the next generation of leaders.

We are so grateful for every person who has prayed, given, encouraged, and stood with us along the way—you are truly a part of what God is doing here.

If you have supported us in the past or have never had the opportunity to partner with us, we would love for you to join us as we continue moving the mission forward and reaching Madagascar and the Indian Ocean Islands for Jesus!
