

AMP BANGLADESH

Rangpur Division BYM Training & Revival Services

In August, I traveled to the Rangpur Division (North Bengal) with a team to conduct a youth leader training for Bangladesh Youth Ministries (BYM), as well as some revival services in two of our districts there.

Dinajpur District: Jotmukundapur Village Church

Day 1: We had a day of training for our future youth leaders. Once equipped, they are responsible for launching youth groups in their churches. We were able to give out 5 BYM Boxes, which means 5 new youth groups will be launched this year (pictured above)! We also visited a few of our other churches and pastors in the area after the training.

Day 2: We held a youth revival service in the morning (bottom left). In the evening, a revival service was held for the entire congregation (bottom, 2nd from left). We praise the Lord for 10 people who received the Holy Spirit and 5 who received physical healing in their bodies!

Nilphamari District

Day 3: We traveled to Nilphamari where we held a morning revival service at the church in Toronibari Village (bottom, 3rd from left). After lunch, we traveled to Ramnagar Village and had a service there (bottom right). Halfway through the service, the power went out and we had to use the flashlights on our phones, but we kept going and God did an amazing work there. We thank God for the 5 people who received the Holy Spirit in the morning service, as well as the 13 people who received the Holy Spirit in the evening service!

Khulna Division Revival Services

The next week after traveling to North Bengal, I took a team to the Khulna Division for two revival services and to visit land for one of our future church buildings.

Satkira District: Machiara Village Church

During our morning revival service in Machiara Village under the veranda of the pastor's home (pictured above and bottom left), 3 people received the gift of the Holy Spirit! We are thankful for this report and look forward to when this congregation can meet in a new church building soon.

Satkira District: Khanpur Village Church

We praise the Lord for a great evening revival service in Khanpur (bottom, 2nd to left) with 1 person who received the Holy Spirit and 14 people who testified to receiving physical healing in their bodies!

After the service, we walked through the village to visit homes and pray for several families (2 bottom right pictures).

I am thankful to both the Sreepur Church and the Savar Church for celebrating my birthday and making me feel special!

Prayer Requests

- For the continued outpouring of the Holy Spirit throughout Bangladesh.
- For God to raise up pastors, teachers, and church planters from among the Bangladeshi people.
- That we would create true disciples of Christ, not just new converts.
- For me as I travel to the USA in September to get my Bangladesh visa renewed.

1 person baptized in the name of Jesus Christ at the Savar Church!
