MY ARRIVAL

During my travel to Okinawa I got to meet a sweet couple, and their 2 year old, who I spent 2 flights with (we were taking the same airlines). We were able to mutually share our stories, and I was able to entertain their son during some of our first flight.

TREE OF LIFE CHURCH

This month I was blessed to meet the local members of my church here in Nago, and one brand new family.

With Obon (Traditional holiday) one of our students who attends the church was able to reconnect with a friend and invited them to church, and they went on to talk to another family about church. That makes 1 confirmed new family and 2 interested.

With the upcoming month please keep our health and growth in prayer. God Bless.

TREE OF LIFE SCHOOL

After a late start, due to typhoon Saudel, we were able to have a wonderful start to the school year. Our students were able to transition smoothly and start thinking of their projects for Student Convention. I loved being able to get to know their personalities.
