Our First Month

Praise the Lord!

What an amazing month we have had in Barcelona. We have spent our first month adjusting to the time change, spending time with the missionary team, and prepping class material for the fall semester at Harvest Bible College in Glasgow, Scotland.

We have been blessed to minister at several churches in the Barcelona area. The churches are full of beautiful people, hungry for a move of God. We may not fully understand the language, but we all feel the same Spirit of God!

Our first week in Barcelona, we got to share with one of our former students when we were youth pastors. It was amazing to witness the growth he had in just a few short months being at the RKR Training Center. We were able to be there while he ministered at the church he attended and be a blessing to the congregation there. We love seeing our young people be used in the Kingdom of God!

We are now in Scotland and will share more about our time here in our next newsletter. We ask that you would continue praying for us. Doors are opening and we ask that you would pray with us, that we would walk through the right ones.

Thank you for your continued support!
We love & appreciate you!

God Bless.
