Friendship is an incredible thing. When you move across the ocean to a place where you don't know many people, you quickly learn how valuable a friend can be. Over this past year, God has given us friends who have become family, both here at Calvary and across Great Britain and Ireland.

We have been reminded again and again that we are not doing this work alone. From the friends who have welcomed us into their homes, to those who have prayed with us, encouraged us, worked alongside us, and simply made us laugh, each relationship has been a gift from God.

We are so thankful for the people God has placed in our lives. Thank you for loving our family, believing in us, praying for us, and believing with us for what God wants to do in the Highlands.

In The Highlands as it is in Heaven

Personal Check-in

As we look back over these past several months, one of the things we are most thankful for is the incredible family God has given us not just at Calvary Church but across Great Britain and Ireland. Moving to the Highlands of Scotland has taken us far from many of the people and places we have known, but God has been so faithful to surround us with friends who have become like family. When we first came to Scotland, we knew we were coming to serve. What we did not fully realize was how many people God would place in our lives along the way. To all of our friends across GB&I: thank you for loving our family, praying for us, encouraging us, making time for us, and believing in what God is doing in the Highlands. We love and appreciate you more than we can express, and we are incredibly thankful to call you friends and fellow labourers in the Kingdom.

I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called,
-Ephesians 4:1

August

August was an incredibly busy and memorable month for the Gann family. Our family, Finn included, travelled to Llandudno, Wales, to attend the UPC GB&I General Conference. It was a wonderful time, and we felt the presence of God throughout every service. Preston had the honour of preaching the Youth Service, and God moved in a special way among the young people of Great Britain and Ireland. We were also grateful for the opportunity to spend time with our friends on the GB&I Youth Team, fellow missionary workers, and our Global Missions Director, Bro. and Sis. Hunley. For those of us who live so far north, the conference was a life-giving time of fellowship and encouragement. After the conference, Bro. Hemus invited us to tour The Apostolic Church of Liverpool and see what God has helped them accomplish in planting a revival church in the United Kingdom. We left inspired and dreaming about what God could do here in the Highlands of Scotland. On our journey back to Elgin, we also stopped to enjoy the beauty of the Lake District, turning the trip into a special, belated anniversary celebration for our family. Later in the month, Preston travelled to Glasgow to help Bro. Kelley prepare Harvest Bible College for the upcoming school year. It was a privilege to lend a hand and help get the college ready for another year of training and ministry.

Back home in Elgin, preparations were underway for our annual Summer Funday. The event was a tremendous success, with more than 60 people in attendance! It was a wonderful opportunity for our church family to spend time together and welcome friends from the community as we celebrated the end of summer. As summer came to a close, we also began preparing for another year of Bible College, where Preston will once again be teaching Pauline Epistles. We are grateful for the opportunity to invest in students who are preparing for ministry. We ended the month with a very special celebration as Calvary hosted a baby shower for Lochlan on the final Sunday of August. We felt incredibly loved and blessed by our church family. God has given us a community of believers here in the Highlands who genuinely care for our family, and we are so thankful.

Thank you for continuing to pray for our family and for Calvary Church as we look forward to all that God has in store for the Highlands.
