

PIO'S IN THE PACIFIC

September

Associate Missionaries (AMP)

Greeting in Jesus' Name!

Another month has passed and we are thanking the Lord for His continued provision for us here in Fiji. We are so blessed to see how the Lord is working in the churches and the Bible School. We continue to preach out on the weekends and have started a Filipino Bible study on Saturday evenings. It is wonderful to see it growing and watching the Lord touch their lives. Thank you for all your support and prayers as we continue to labor in the field here in the country of Fiji. May the Lord continue to bless you!
